HYSEA hackers summit from today

Special Correspondent

HYDERABAD: The Hyderabad Software Enterprises Association (HYSEA) is organising a hackers summit from July 9 to 11, at IIT, Hyderabad.

Being held in association with Hyderabadhackers.in alliance, it will bring together celebrated hackers and start-ups to build momentum and opportunity around hacking events.

A mega hackathon will be held as part of the pre-event build-up to the hacker summit on July 9-10.

The summit will also host a hacker hiring event where start-ups will be hiring, a release from HYSEA said.
